# PRICE LIST OF THE TURLOCK NURSERY, 1915

New Stock Will Be Added From Time to Time

#### THINGS TO OBSERVE

Articles in this list will be sold at prices named as follows; 5 at the 10 rate; 50 at the 100 rate; 500 or more at the 1000 rate. Prices subject to change without notice. Cost of

preking material indded,
All orders should be sent in as early as possible,
Terms rush before delivery or satisfactory refer-

in cluturs for errors and deductions must be made

within ten days after receip of goods.

Our unrsery stork is strictly first-class in every particular and free from disease and Insect pests.

We warrant all trees and plants to be good and We warrant all trees and plants to be good and thrifty, but for the reason that we have no control over the planting, pruning and care of the trees and plants ofter they leave our hands, we will under no circumstances replace anything that may the. In graving and furnishing all nursery stock we use the greatest care to have it true-to-mane, and will replace any that may prove untrue. But for any error we shall not be limbe for any more than

any error ore shall not be limble for any more than the purchase price.

INSTRUCTION.

As soon as the frees and plants are taken from

the Nursery, see that the roots are not exposed to the

the Nursery, see that the roots are not exposed to the son and heel them in as quickly as possible and sellle with water till ready to plant.

When planning fruit trees, prune the trees about eighteen inches from the ground. (There are some exceptious.) See that the hole is large enough to adout the roots in natural condition. The trees should stand a little deeper than they did in the Nursery row. All broken or bruised roots should be cont of with a sharp kulfe, and settle the dirt mound the roots with a liberal application of water.

And owing to the heat in this valley it is advisable to give the trunk some protection from the sun the lifet year.

hrst year.

#### HISTANCE OF PLANTING.

Standard Apples and Apricots should be planted from 24 to 30 feet apart. Similard Pears and Strong Growing Cherrles, Standard Palms and Prines, Peaches and Nectarines, 20 to 24 feet. Walnuts, 40 to 50 feet, and Grapes 7 to 10 feet apart.

The table below gives the number of trees to plant to the acre and the distance. Number Plums Equilaterni

# SPRING HAS COME AGAIN

AND SO HAS THE

# TURLOCK NURSERY With a Full Line of First-Class Nursery Stock

The season is now at hand when you are thinking of making your selections for spring planting, and of course your first and most important consideration will be, WHERE TO MAKE YOUR SELECTIONS SO THAT YOU MAY BE ASSURED OF THE BEST RESULTS. You want the highest percentage of returns on your investment and labor that it is possible to obtain. You run the chances of considerable loss of both time and money when you are not careful as to where you make your purchases of plants, tree stock and seeds.

During the time that we have been engaged in the nursery business we have established a sound reputation for reliability and the dependable character of our goods, and our reputation in this respect affords protection to you, for you are assured of the very best results from the goods we sell you. Furthermore, our prices are the very lowest at which dependable stock can be sold. We sell no inferior goods at any price.

Our business has expanded to such an extent that we are now carrying one of the most extensive lines of nursery stock in the San Joaquin Valley, embracing Fruit, Shade and Citrus Trees, Decorative and House Plants, Vegetable Plants, Bedding, Border and Flowering Plants, Vines, Seeds and a large variety of miscellaneous goods.

With the expert knowledge of experienced growers, we are thoroughly competent judges of all stock in nursery lines, and are therefore able to make good our guarantee that all stock sold by us is vigorous and true-to-name. Of particular importance is the fact that all our evergreen stock is pot grown, thus its continued growth is not retarded when planted out.

Our ample force of help enables us to handle and deliver all orders promptly, and this means a great deal to the grower who wants his goods when he is ready to put them out. Moreover our salesmen will be glad to advise purchasers and be of any other assistance to them at any time. Your are welcome to our yards and greenhouse department at any time and will always be shown courteous attention and friendly consideration. Orders by mail will receive the same prompt and careful attention as those made personally.

Our stock has been examined by the County Horticultural Inspector and found to be free from insect pests, thus insuring you clean bealthy plants, and saving you the time and bother of inspection in Stanislaus County.

Our floral department is in the hands of a competent florist, and makes a specialty of seasonable cut flowers, palms, ferns and plants for decorative purposes, and the execution of artistic floral designs.

It will be greatly to your advantage to bring us a list of your needs for the spring planting. We can demonstrate to your entire satisfaction that our goods will give you positive assurance of the very best results. We have the utmost confidence that when you have once made your selections from our stock, we will have your continued patronage in the future.

# Fruit Trees

We now have a full line of fruit frees grown by the Fresno Nursery Co., and as this company grows fruit trees exclusively, by the million, we are prepared to guarantee all slock to be strong vigorous and absolutely true to name.

#### Citrus Trees

A carload of citrus trees just arrived, of the following varieties of extra strong healthy slock: Navel and Valencia Oranges, Lisbon, Eureka and Villa Franca Lemons, and Marshes' Seedless Grape Fruit.

#### Olives

#### MISSION AND MANSINILLO

If you are thinking of planling this season it will pay you to call and see our stock. We can supply very fine thrifly trees in any quantity at very attractive prices.

### Shade Trees

#### DECIDUOUS

We make a specially in this class of trees of large sizes for immediate effect, but also have the smaller ones in large quantities, such as Sycamore, Umbrella, Maples, Chestnuts, Elms, Ash, Locust, Poplars, Birch, Mulberry, Etc.

# Evergreen Shade Trees

We are the largest growers of the following varieties in this part of the State: Acacias, Camphor, Silk Oak, Pepper Trees, Eucalyptus, Cypress, Palms, Etc.

# Roses, Vines,

We grow large quantities of Roses every season, and this year have an extra fine lot. Our list is composed of 88 varieties many of which are new and all adapted to this climate, and remember we ask only 25c for strong 2-year plants.

#### SPECIAL COLLECTION NO. 1

Two each, W. American Beauty, Crimson Rambler, Ulrich Brunner, Cl. Coeile Brunner, Paul Neyron.......\$1.50

#### SPECIAL COLLECTION NO. 2

Ten Roses, all bush varieties; no two alike. Our selection all named.......\$2.00

#### SPECIAL COLLECTION NO. 3

Ten fine Plants, climbing or bush, or hoth, not named but no two alike....\$1.00

Keep cool this summer. Plant vines on your house, pergola porch or lenees. We have about 20 varieties of climbers, good for all purposes.

# We Have the Most Complete Nursery Stock in Stanislaus County

## **Potted Plants**

We devote more space under glass than any other Florist in the county and always have a full line of Boston, Whitmani and Sword Ferns, Kentia Palms, Sprengeris, and Plumosus, Cyclamen, Primroses, Cinerarias, and in fact any kind of patted plants that are suitable for the house or porch.

## **Cut Flowers**

We carry on hand, always, out flowers for all purposes, and remember we are prepared to fill orders for wedding boquets from the simplest to the most elaborate ribbon shower.

Our higgest specialty is funeral designs, and our designers can larn out the most artistic designs such as Wreaths, Crosses, Chairs, Gates, Broken Wheels, Sprays, Etc.

## Seeds

Our aim is to make our store the seed headquarters in this section of the country, and while we try to carry a complete line of seeds, if we haven't what you want in stack will get it for you if it can be gotten in America, no matter how small the ilem.

In package seed, we handle both Morse and Aggeler & Musser's full line.

### Miscellaneous

Bird Seed, Canary Birds, Gennine Hartz Mountain Birds, hoth singers and females; Bird Cages, Japanese Gold Fish, Flower Pots, Wire Hanging Baskets, Garden Hose, Sprays, Sprayers, Whale Oil Soap, Paris Green, Etc., Etc.
